Bay Area Chapter of the
California School-Age Consortium,
Youth Development Peer Network (YDPN),
and CDTC

CALIFORNIA SCHOOL-AGE CONSORTIUM

Founded in 1982, the California School-Age Consortium works to promote quality out-of-school experiences for children statewide. As the nation's oldest and largest statewide association for afterschool and school-age care providers, CalSAC represents an estimated 120,000 professionals in the field. CalSAC members span the full spectrum of school-age care – including community-based organizations, recreation and parks departments, school-based programs, private child care centers, and more.

Join CalSAC today to help advance our vision of school-age care programs as a public priority throughout California. Membership makes our work possible.

Individual Members (\$40) qualify for up to 50% off all CalSAC training events and conferences; receive our quarterly newsletter, *CalSAC Connection*, and our monthly publication, *CalSAC Online*; participate in local chapter activities; enjoy leadership opportunities; network with fellow professionals; and receive discount rates with top vendors of afterschool materials.

Student Members (\$20) enjoy these same benefits at a lower rate. The student rate is for currently enrolled students and is available for a maximum of two years.

Single-Site Agency Members (\$150) qualify for up to 50% off all CalSAC training events and conferences for all staff at your site; receive our quarterly newsletter, *CalSAC Connection*, and our monthly *CalSAC Online*; place unlimited job openings at our online career center; participate in local chapter activities; network with fellow professionals; enjoy leadership opportunities; and get discount rates with top vendors of afterschool materials.

Multi-Site Agency Members (\$300) enjoy the same benefits as a single-site agency and save up to 50% on CalSAC events and conferences for all staff, at every site; receive multiple copies of CalSAC communications sent directly to each site; and (for a limited time) receive a \$50 gift certificate toward any purchase with Discount School Supplies.

A fun, hands-on, interactive training just for you. Learn it today, use it on Monday!

WORKSHOPS INCLUDE*

Magic Potions Take a pinch of this and drop of that and what have you got? Science fun! Activities to encourage discovery and grow the scientists in your program!

Kids in Action Direct that energy with drama! Discover games, exercises, plays, costuming and props to bring a little drama into your program.

Got Games? Developing a great sports or recreation program that is well rounded and accessible to every student is a challenge. This workshop offers participants a template for introducing and running a full sports and recreation program in a variety of settings.

What's in the Cup? Want to cook, but short on space? In this hands-on yummy workshop, discover a simple and fun technique to bring cooking into your program!

Art Explosion Art is everywhere! Unleash the creative energy in your program with new ideas, techniques, and projects.

*Choose 3 out of 5 workshops.
